Days of Ministry

As we see the necessities of the poor, the ignorant, the afflicted, how often our hearts sink. We question, "What avail our feeble strength and slender resources to supply this terrible necessity? Shall we not wait for someone of greater ability to direct the work, or for some organization to undertake it? Christ says, "Give ye them to eat." Use the means, the time, the ability, you have. Bring your barley loaves to Jesus.

The Ministry of Healing

Remember "one soul audience" watch for someone who is in need of food or clothing and bring them to Sowing Seeds of Kindness thereby making a friend for Jesus!

13. **NEXT WEEK'S OFFERING** is for **Local Church Budget: Emulate an Orderly God:** We worship with our resources in a disciplined way because we emulate an orderly God. One striking feature of God's creation is its well-ordered design. The daily, weekly, and monthly patterns speak loud about the Designer, Creator, and Sustainer of the universe. As believers, we define ourselves as being in His image and God being our model. Therefore, those who aspire to be in His clear and sharp image are indeed paying attention to these words: "But everything should be done in a fitting and orderly way" (1 Cor. 14:40). Spontaneity should not be an excuse for an absence of order in worship and giving.

THE SERPENTINE PROPHECY

What's Really Going On?

There is an ancient lie—a disturbing thread that ties our present to the distant past. What are the whispers that emerge from age-old tombs, speaking of things that move beyond the shadows? Are there dark influences and unspoken forces that have been quietly driving humanity from the very dawn of civilization . . . and if there are, *where are they trying to take us?*

Opening Session
Thursday, April 21 at 7:00 PM
The Secret of Room 217: It's said to be one of the most haunted rooms in America. Some guests refuse to stay the entire night: after all, the nightmares within inspired one of the most infamous horror films of all time. What's really going on behind the door of Room 217? A whole lot more than most people realize . . . and you'll be surprised by where we have to go to find the answers.

Session 2: Friday, April 22 at 7:00 PM
Whisper of the Serpent: Ancient civilizations spoke of a shadowy underworld, a place completely unlike the world you inhabit. Who told them of such a place?

Session 3: Saturday, April 23 at 11:00 AM
Hidden Knowledge: In the earliest years of the Christian church, there were voices professing to know something that nobody else knew. Where did they come from?

Session 4: Saturday, April 23 at 5:00 PM
The Serpentine Prophecy: Thomas Edison invented something that few people ever talk about. Is it the key to unlocking the secrets of America's most haunted room?
