FROM THE LIBRARY:

Focus on author Gary Strunk

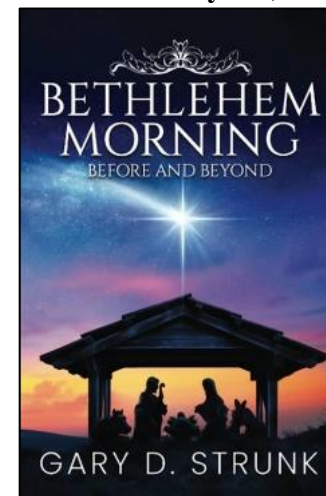

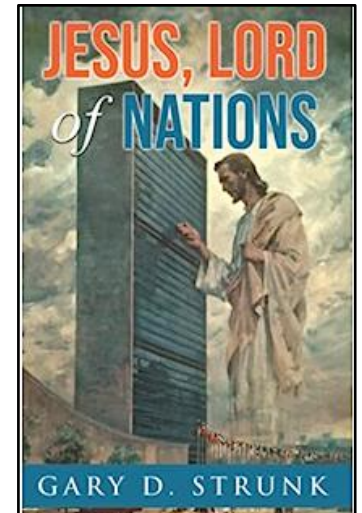

Gary and Donalea Strunk have lived in the Yucaipa area many years and have served the Lord in numerous capacities since becoming Adventists in 1957. Several of Gary's contributions to the church have come through his interest in health and wellness. Many have attended his presentation *In Pursuit of Excellence THE HEALTH COMPONENT*. Complimenting this were two other presentations:

Taste of Nature Vegetarian Cooking School and *The Natural Way to Weight Control*. His book *Grieving for a Smoke* traces the grief response associated with smoking cessation, and helps the reader understand the physical and psychological components of addiction.

Gary authored the book *Judge Me Please*. Within its pages we see how and why the Great Controversy will be completed through Christ's work as biblical judge. In 2022 *Jesus, Lord of Nations* was published. This comprehensive book shows how Christ has led in the rise and fall of nations in the past, and how he continues to lead God's people to the very end. This book is for serious and knowledgeable Bible students. And now in 2023, the new book, *Bethlehem Morning, Before and Beyond*, has just been released.

Written for beginners who want to learn the Bible truths, it begins with the birth of Jesus instead of the Genesis story.

As Bible teacher, Pastor, U.S. Army Chaplain, Health Secretary, and Author, God has used Gary's interests and abilities to edify His church.

Hope for
their future

ALC is 1st-8th grade school for Syrian and Kurdish Refugees living in Beirut Lebanon that is part of the General Conference's Urban Centers of Influence (UCI) Initiative. Teachers from around the world come together to create a safe, stable, and loving faith-based environment where refugee kids can learn academics, character growth and more about God. As a UCI, staff also spend time building personal relationships with families and many have made decisions to follow Christ as a result. For the last 10 years the GC has been part of keeping ALC open, but now it's time for them to move on to supporting new projects. As refugees living below the poverty level, paying to attend school is out of the question. Join us in helping keep the door open for these precious children who have no one else to fight for them. Your generosity will give them an education now that will open doors for them in the future.
