Heaven-born Love

The word of God is to have a sanctifying effect on our association with every member of the human family. The leaven of truth will not produce the spirit of rivalry, the love of ambition, the desire to be first. True, heaven-born love is not selfish and changeable. It is not dependent on human praise. The heart of him who receives the grace of God overflows with love for God and for those for whom Christ died.

Making a Difficult Time a Little Easier

In Life, we plan for many important events — vacation, tuition, weddings — so it also makes sense to plan for the inevitable.

Planning a funeral can often be an overwhelming task for family members.

There are hundreds of decisions to be made and arrangements to confirm.
